IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

IEEE CS MEETING - 1

Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)

Report

1) **Meeting Regarding:**

Introduction of newly elected Execom

2) **Category:** Meeting

3) **Time:**

Start time: 11 January 2025 11:20 am

End time: 11 January 2025 12:00 pm

4) **Minutes of the meeting:**

11:19 AM – Meeting Initiated

Introduction of the newly elected Executive Committee (ExeCom) members and the faculty advisor.

Presentation of the key objectives for the Computer Society in the 2025 term.

11:24 AM – Discussion on Objectives

>Focus on conducting outreach events in alignment with academic calendars of other institutions in the city, such as VTU and KLE.

>Utilize hackathons and ideathons to generate practical, innovative ideas that could be incubated into viable projects.

>Ensure that at least one event is planned and conducted in January 2025.

11:27 AM – Event Ideas Discussion

>GPT40Thon: A mini hackathon centered around AI engines like GPT.

>AICTE Activity Points:

Plan events aligned with AICTE criteria.

Review all AICTE evaluation guidelines to structure events effectively.

>Workshops on AI and GPUs:

>Schedule AI- and GPU-focused workshops after March 2025.

>CTF Workshop and Competition:

Conduct Capture-The-Flag (CTF) workshops and competitions to prepare students for cybersecurity roles.

Target job opportunities in organizations like HSBC, KPMG, and TCS, which prioritize CTF expertise for cybersecurity positions.

Bring in MNC experts who have cleared CTFs for professional insights.

Meeting Schedule:

Meetings to be held bi-weekly, primarily on Saturdays.

11:35 AM – Additional Planning

>Street Savants 2.0:

Plan and organize the second edition of Street Savants in January 2025.

>Membership Drives:

Conduct targeted campaigns to increase IEEE Computer Society memberships.

>Coding Relay Competition:

Organize a unique coding competition resembling a physical relay sport, where team members switch roles during the event.

>Research Paper Events:

>Plan events centered around presenting and publishing research papers.

>Security Enhancement Hackathon:

Conduct a hackathon focusing on improving security measures for cultural fests.

11:48 AM – Recap and Conclusion

>Discussed travel plans for attending conferences in metropolitan cities to enhance professional exposure.

11:54 AM – Meeting Adjourned

5) Location of the event :

Main Building, KLS GIT

IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

**EVENT ON
STREET SAVANTS 2.0**

**Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)**

Report

- 1) **Event on:**
Street Savants 2.0
- 2) **Category:** Technical
Sub-Category: Education
- 3) **Time:**
Start time: 25 Jan 2025 10 am
End time: 31 Jan 2025 12 pm
- 4) **Description of the event:**
Street Savant 2.0 was a completely online event where participants identified and proposed **AI** and **Cybersecurity**-based solutions for local problems under the **Digital India** initiative. A total of **25 teams** qualified and pitched their ideas before a panel of judges. **Three winning teams** were selected based on innovation, relevance to the theme, and overall presentation. All qualified teams, including the three winners, received **20 AICTE Activity Points**.

5) **Location of the event :**

Google meet

Link 1 :- <https://meet.google.com/wce-qcep-fkb>

Link 2 :- <https://meet.google.com/sgk-arkg-ysh>

Link 3 :- <https://meet.google.com/znj-coay-fza>

Link 4 :- <https://meet.google.com/fuh-vbwe-gbc>

6) **Resource persons and the organisation they represent :**

Prof. Sachin Desai from MCA Dept KLS GIT

Prof. Shubha Sanu from AIML Dept KLS GIT

Prof. Shrivatsa Perur from ISE Dept KLS GIT

Prof. Sagar Pujar from CSE Dept KLS GIT

7) **Topic handled by resource persons :**

All the resource persons were part of the judging panel and evaluated the participants' solutions with their expertise and valuable insights. They also provided constructive feedback to help participants refine their ideas.

8) **Registration details :**

Registration link :- <https://forms.gle/cBb7nPYiR3dMzmNG7>

9) **Attendance :**

IEEE members:- 7

Non-IEEE members:- 104

10) **Session flyer and photos :**

2GI22EC080 Netravati Abbar (Presenting)

11:20 AM znj-coay-fza

Participants:

- 2GI22EC080 Netravati...
- Shrinidhi Yeri
- Chaitan Talawar
- Sonu Chadichal
- CHITRANSH KHAVARE
- Atharv Dhage
- 8 others
- Atharv Kulkarni

Pranav Mahesh Palled (Presenting)

Combating Spam Comments: A Crucial Step for User Experience

Online platforms are vibrant ecosystems where users connect, share ideas, and engage in meaningful conversations. However, this vibrant landscape is often marred by a pervasive problem: spam comments. These unsolicited, irrelevant, and often malicious messages can significantly degrade the overall user experience, hindering genuine interactions and creating a negative environment for users.

10:12 AM wce-qcep-fkb

Participants:

- Shrinidhi Yeri
- Sachin Desai
- Atharva Naik
- Md taha Khan
- Gourav Nayak
- Anjaneya Desai
- Brahmi Desai
- 10 others

IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

**EVENT ON
COMMIT X: GIT/GITHUB AND AI TOOLS WORKSHOP**

**Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)**

Report

1) Event on:

Commit X: GIT/GITHUB and AI tools workshop

2) Category: Technical

Sub-Category: Education

3) Time:

Start time: 22 Feb 2025 10 am

End time: 22 Feb 2025 1:30 pm

4) Description of the event:

Git/GitHub and AI Tools Workshop was an interactive online event aimed at enhancing participants' understanding of version control and AI-powered development. Attendees explored essential Git/GitHub workflows, collaborative coding practices, and the integration of AI tools to streamline development processes. Through hands-on exercises and real-world applications, participants gained practical experience. All attendees received participation certificates, recognizing their engagement and learning.

5) **Location of the event :**

Lab 6, IT Block , KLS GIT

6) **Resource person and the organisation they represent :**

Amogh Kallimath IEEE STB KLS GIT

7) **Topic handled by resource person :**

Amogh Kallimath covered topics including an introduction to Git, GitHub, and AI-powered development tools. The session began with the fundamentals of Git, including repository management, branching, merging, and resolving conflicts. Participants then explored GitHub features such as pull requests, issues, and collaborative workflows. The workshop also introduced AI tools that enhance coding efficiency, such as AI-powered code suggestions and automated documentation generation. Hands-on exercises allowed attendees to apply these concepts in real time, strengthening their understanding of version control and AI-assisted development.

8) **Registration details :**

Registration link :- <https://forms.gle/zAJJgkd3YHEAYpHp7>

9) **Attendance :**

IEEE members:- 8

Non-IEEE members:- 50

IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

EVENT ON
Why Startup ?

Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)

Report

1) **Event on:**

Why Startup ?

2) **Category:** Professional

Sub-Category: Education

3) **Time:**

Start time: 10 March 2025 2 pm

End time: 10 March 2025 3 pm

4) **Description of the event:**

“Why Startup?” was an engaging talk designed to inspire students to explore the world of business and startups. The session provided valuable insights into why entrepreneurship is essential, how to take the first steps, and the critical role businesses play in shaping society. Throughout the session, the speaker emphasized the key skills necessary for starting a successful business, such as market research, risk assessment, and strategic planning. Real-world examples and success stories were shared, encouraging students to pursue their ideas with confidence and resilience. The interactive nature of the event allowed participants to engage in meaningful discussions, ask questions, and gain clarity on various aspects of entrepreneurship.

By the end of the talk, students had developed a problem-solving mindset, recognizing the importance of addressing real-world challenges and turning them into impactful business opportunities. The session not only broadened their understanding of the entrepreneurial journey but also fostered personal growth, critical thinking, and innovative decision-making.

5) Location of the event :

S J Auditorium, KLS GIT

6) Resource person and the organisation they represent :

Mr. Gajendra Tripathi ,Incubation consultant KLS GIT

7) Topic handled by resource person :

Mr. Gajendra Tripathi led an insightful session during the talk, where he discussed the importance of entrepreneurship, the steps to start a business, and its impact on society. He covered key aspects such as market research, risk assessment, business planning, and financial management, emphasizing the need for resilience and adaptability. Through real-world case studies and success stories, he inspired students to develop a problem-solving mindset and recognize opportunities for innovation. The interactive session allowed participants to engage in discussions, ask questions, and gain valuable insights into leadership, networking, and resource management. He also shared strategies for overcoming challenges, securing funding, and adapting to market trends. His practical approach and engaging delivery motivated students to think creatively, take risks, and turn their ideas into successful ventures, fostering a growth-oriented and entrepreneurial mindset.

8) Attendance :

IEEE members:- 7

Non-IEEE members:-100+

9) Session flyer and photos :

The flyer is for an 'IDEA INCUBATOR' session. At the top, it lists 'KARNATAK LAW SOCIETY' and 'GOGTE INSTITUTE OF TECHNOLOGY BELAGAVI'. Below this, it mentions 'IEEE COMPUTER SOCIETY OF KLS GIT (SBC28191A) IN COLLABORATION WITH INSTITUTION'S INNOVATION COUNCIL KLS GIT PRESENTS'. The main title is 'IDEA INCUBATOR' with the tagline 'Start Small, Think Big, Move Fast.' The date is '10th March' at '2:00 pm' in 'S J Auditorium'. The speaker is 'GAJENDRA TRIPATHI', an 'Incubation consultant KLS GIT, Belagavi'. At the bottom, it lists four chairs: 'Koushal. S. Kedari' (Chair, IEEE CS), 'Prof. Abhishek Deshmukh' (Branch Counsellor, IEEE KLS GIT), 'Dr. Swetha Goudar' (Faculty advisor, IEEE CS), and 'Dr. Kiran K. Tangod' (President, IIC, KLS GIT). Social media handles '@ieee_git_official' and 'www.ieeejit.in' are also present.

IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

**EVENT ON
GPT-4 SOLVATHON**

**Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)**

Report

- 1) **Event on:**
GPT-4 Solvathon
- 2) **Category:** Technical
Sub-Category: Education
- 3) **Time:**
Start time: 17 March 2025 10 am
End time: 17 March 2025 2:00 pm
- 4) **Description of the event:**
GPT-4 Solvathon was a 5-hour mini hackathon aimed at encouraging students to explore AI-driven solutions and preparing them for extended hackathons and industry-grade projects. The event attracted 18 registered participants, competing in teams of two. The hackathon consisted of four hours of development, where teams leveraged GPT-4 to create innovative projects, followed by an hour of evaluation. Judges assessed the solutions based on creativity, practicality, and presentation. The winning team received a cash prize of ₹1000, while the runners-up were awarded ₹500. Additionally, all participants were given API keys worth ₹500, fostering further exploration of AI technologies.

5) **Location of the event :**

Lab 1A, IT Block , KLS GIT

6) **Resource persons and the organisation they represent :**

Prof. Subha Sanu AIML KLS GIT

Prof. Veena Kangralkar CS KLS GIT

7) **Topic handled by resource persons :**

The two resource persons formed the judging panel, leveraging their expertise to evaluate the participants' product solutions developed using ChatGPT API keys. They provided valuable insights and constructive feedback, helping participants refine their ideas and enhance their projects.

8) **Registration details :**

IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

EVENT ON
GIT X IITB Trust Lab CTF Stage-1

Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)

Report

- 1) **Event on:**
GIT X IITB Trust Lab CTF Stage-1
- 2) **Category:** Technical
Sub-Category: Education
- 3) **Time:**
Start time: 20 April 2025 12:00 pm
End time: 21 April 2025 12:00 am
- 4) **Description of the event:**

The **IEEE Computer Society of KLS GIT**, in collaboration with **IIT Bombay Trust Lab**, hosted its first-ever **National-Level Capture The Flag (CTF)** Competition.

This was a Jeopardy-style CTF where teams solved challenges across categories such as cryptography, web security, binary exploitation, and forensics, Each correct solution revealed a 'flag,' which teams submitted to earn point with higher points awarded for more difficult challenges. The time-bound format tested participants' technical expertise and strategic decision-making, as teams balanced speed and complexity to climb the leaderboard.

The competition witnessed an overwhelming response, with 300+ teams registering from across the country. After a rigorous online elimination round, only the top 30 teams qualified for the Grand Finale, showcasing their expertise and competitive spirit.

5) Location of the event :

Online website

Link :- <https://ctf.ieeecskslsgit.studio/>

6) Resource persons and the organisation they represent :

Koushal Kedari IEEE Computer Society Chair KLS GIT,
 Sujay Adkesar National level CTF player, Team fs0cie1y,
 Bipin Raj National level CTF player, Team fs0cie1y

7) Topic handled by resource persons :

The individuals mentioned above significantly contributed to the overall success of the event. They were responsible for creating a well-structured and accessible website. In addition, they designed challenges ranging from easy to hard levels in alignment with the event’s goals, which were highly appreciated and rated among the best by the participants. Their dedication, teamwork, and consistent efforts ensured that the event was executed smoothly and professionally, ultimately receiving positive feedback from both participants and attendees.

Date :9th April 2025

Subject: Request for Approval to Conduct **Capture the Flag** contest

Dear Sir,

The IEEE Computer Society at KLS GIT seeks your kind approval to host a **Capture The Flag (CTF) Contest**, a competitive cybersecurity problem-solving event, in collaboration with the Trust Lab Department of IIT Bombay.

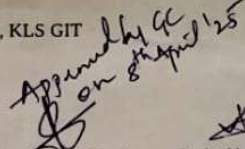

The **elimination round** of the contest is scheduled to be conducted **online** over a duration of **12 hours**, from **12:00 PM on 20th April 2025 to 12:00 AM on 21st April 2025**. This round will be open to external participants, primarily targeting the **southern region of India**, and will be hosted via the **IIT Bombay network**.

The **grand finale** of the contest will be conducted **offline at KLS GIT on 14th May 2025**, where selected teams from the elimination round will compete for the top positions.

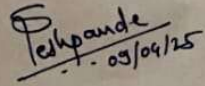

We kindly request your approval to proceed with organizing this event. Thank you for your time and consideration.

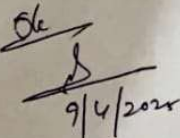

Sincerely,
IEEE Computer Society, KLS GIT

Approved by Dr. S. on 8 April '25

 Koushal S Kedari (Chair) IEEE CS KLS GIT	 Dr. Prof. Shweta Goudar (Faculty advisor) IEEE CS KLS GIT	 Prof. Abhishek Deshmukh (Branch Counsellor) IEEE KLS GIT	 Mr. Mukul Joshi (Program Director) (IIT Bombay Trust Lab)

IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

**EVENT ON
GIT X IITB Trust Lab CTF Grand Finale**

**Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)**

Report

1) Event on:

GIT X IITB Trust Lab CTF Grand Finale

2) Category: Technical

Sub-Category: Education

3) Time:

Start time: 14 May 2025 03:00 pm

End time: 15 May 2025 12:00 pm

4) Description of the event:

The next stage of the event, **the Grand Finale**, was conducted onsite at the KLS Gogte Institute of Technology campus, where the top 25 qualifying teams from the online round gathered to compete in person. Hosted by the **IEEE Computer Society of KLS GIT** in collaboration with the **IIT Bombay Trust Lab**, the finale maintained the Jeopardy-style CTF format, now featuring more advanced challenges in domains such as **reverse engineering, cryptography, web penetration testing, and network forensics**. One of the highlights of the finale was the inclusion of **live Windows forensics with a real-time simulation of terrorist attacks**, offering participants an immersive, high-stakes environment to apply their skills.

The Grand Finale was a 12-hour event, designed to test participants' endurance, strategic thinking, and deep technical skills over an extended period of intense problem-solving. The intensity of the competition was amplified by a live leaderboard and a strictly timed environment, requiring participants to demonstrate not only technical expertise but also rapid problem-solving and team coordination under pressure. The Grand Finale provided participants with the opportunity to tackle complex, scenario-based challenges that encouraged innovative thinking and collaborative analysis.

The event concluded with a formal award ceremony, where the winning team was awarded a cash prize of ₹25,000, the first runners-up received ₹15,000, and the second runners-up were awarded ₹10,000. In addition to the prizes, the top 10 teams were granted the opportunity to apply for prestigious internships at the IIT Bombay Trust Lab, further enhancing the career prospects of the participants and reinforcing the competition's aim to bridge academic learning with hands-on technical experience.

5) Location of the event :

Online website

6) Resource persons and the organisation they represent :

Koushal Kedari IEEE Computer Society Chair KLS GIT,
Sujay Adkesar National level CTF player, Team fs0cie1y,
Shiv Pratap Singh National level CTF player, Team fs0cie1y

7) Topic handled by resource persons :

The individuals mentioned above significantly contributed to the overall success of the event. They were responsible for creating a well-structured and accessible website. In addition, they designed challenges ranging from easy to hard levels in alignment with the event's goals, which were highly appreciated and rated among the best by the participants. Their dedication, teamwork, and consistent efforts ensured that the event was executed smoothly and professionally, ultimately receiving positive feedback from both participants and attendees.

IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

**EVENT ON
IEEE CS MEETING - 2**

**Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)**

Report

- 1) **Event on:**
IEEE CS MEETING - 2
- 2) **Category:** Administrative
Sub-Category: Professional
- 3) **Time:**
Start time: 14 June 2025 10 am
End time: 14 June 2025 11:30 am
- 4) **Description of the event:**
The **IEEE Computer Society** convened its scheduled Quarterly ExeCom and Faculty meeting to review progress and discuss upcoming initiatives. The following key points were addressed:
 - **ExeCom Progress Report**
Individual members presented their progress reports, sharing insights into the skills and experiences they have gained through their involvement in the society.

- **Planning for Buildathon with RAS**
 Planning for an upcoming Buildathon in collaboration with the IEEE Robotics and Automation Society (RAS). This event is intended to be a fun and engaging technical initiative aimed at fostering and enhancing students' hardware development skills.
- **Future Collaboration with IEEE CS Chapters in North Karnataka**
 Proposals were made to organize joint events in the future with IEEE Computer Society chapters within the North Karnataka Section, including institutions such as IIIT Dharwad, to promote inter-chapter collaboration and knowledge exchange.
- **Planning for Outreach Drives**
 The committee proposed organizing a month-long outreach drive targeting students from government schools. The objective is to deliver impactful educational sessions that create meaningful academic outcomes.
- **Environmental Initiative through Plantation Drives**
 It was proposed to conduct plantation drives as a part of the society's commitment to environmental sustainability and student-led social responsibility initiatives.
- **Industry Visit to Hyderabad**
 A future industrial visit to Hyderabad was discussed, aiming to provide students with exposure to real-world industry practices and technological environments.
- **Event ideas for Nvidia GPUs utilization**
 The committee emphasized to plan technical events that leverage the capabilities of the newly installed NVIDIA Graphics Processing Units. These events should be designed to benefit students by fostering skill development in domains such as Artificial Intelligence (AI), Machine Learning (ML), and other computational fields that make effective use of GPU acceleration.

**EVENT ON
Cybersecurity Essentials workshop**

**Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)**

Report

- 1) **Event on:**
Cybersecurity Essentials workshop
- 2) **Category:** Technical
Sub-Category: Education
- 3) **Time:**
Start time: 17 July 2025 10:00 AM
End time: 18 July 2025 05:00 PM
- 4) **Description of the event:**

IEEE Computer Society conducted **Cybersecurity Essentials Workshop** in collaboration with Department of MCA, KLS GIT on the 17th and 18th of July 2025. Conducted by **Koushal Kedari (Security Researcher at IIT Bombay)** and **Shrinidhi Yeri (Bug bounty Hunter, eJPT certified)**, the workshop brought together MCA and B.E. students eager to explore the practical side of cybersecurity.

Over the course of the sessions, participants engaged in interactive discussions and live demonstrations covering essential topics such as the **OWASP Top 10, System &**

Network Security, and **Linux Security Essentials**. The workshop emphasized experiential learning through labs on platforms like **DVWA**, **TryHackMe**, and **HackTheBox**, where students practiced exploiting real-world vulnerabilities, including **SQL Injection**, **XSS**, **LFI**, and **File Upload flaws**.

Beyond technical skills, we also highlighted future career paths in cybersecurity, discussing **certifications**, **Capture-the-Flag competitions**, and **Bug Bounty Programs**, inspiring students to pursue opportunities in this ever-evolving field.

IEEE COMPUTER SOCIETY OF KLS GIT (CODE: SBC28191A)

EVENT ON
Prompt Battle

Coordinated by:
Dr. Swetha Goudar
(Faculty Advisor)

Report

- 1) **Event on:**
Prompt Battle
- 2) **Category:** Technical
Sub-Category: Education
- 3) **Time:**
Start time: 23 July 2025 10:00 AM
End time: 23 July 2025 11:00 PM
- 4) **Description of the event:**
The **IEEE Computer Society** successfully organized "**Prompt Battle: Think it, Prompt it, Reel it**", a unique online reel-making event that brought together creativity, storytelling, and Gen-AI tools. The competition invited participants to create engaging and meaningful reels based on their own chosen prompts, within specific genres like Social Message/Awareness (with a creative twist), Mystery/Detective Story, AI vs Humans (Satirical or Funny), World Leaders' Parody, and A Hero's Comeback (Emotional) giving students a wide creative canvas to work with. A total of **30 teams**, each with 2 members from various departments, participated in the event. Taking inspiration from the spirit of IEEE Day, which celebrates innovation and community engagement, the judging process was carried

out through a dedicated website where students across the institution voted for their favorite reels. Based on the engagement and number of votes received, the winners were decided. This encouraged participants to not only focus on content quality but also understand the importance of audience reach and impact. The event aimed to foster creativity and introduce students to the growing influence of Gen-AI in content creation. The **winning team** was awarded a **ChatGPT Plus subscription**, while all participating teams received certificates of participation. Overall, Prompt Battle offered an exciting and fresh way for students to explore digital expression using AI-enhanced creativity.

Subject: Request for Approval to Conduct Prompt Battle

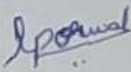

Dear Sir,

The IEEE Computer Society at KLS GIT seeks your respected approval to host "Prompt Battle." This is a Gen-AI-powered creative competition where participants will use AI-generated prompts to create engaging and meaningful reels. The event aims to promote creative thinking and introduce students to the use of Gen AI tools in content creation—skills that are increasingly relevant in today's tech-driven world.

The competition is scheduled to take place online on 23rd July. We are expecting around 40 teams, with participation open to interested students from all departments. The reels will be judged based on creativity, relevance to the prompt, originality, and editing.

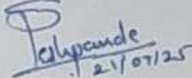

Thank you for considering our request. We look forward to your positive response.

4) **Description of the event:**

Code Chronicles was a coding-based event that combined technical problem-solving with creative expression. It brought together **80+ students**, organized into teams of two, who competed in a challenge blending coding skills with storytelling. Participants were given two hours to solve 30 coding problems, each unlocking a keyword, followed by 30 minutes to craft a story using the collected keywords. This unique format not only tested their programming abilities but also encouraged imagination, innovation, and teamwork. After evaluation, the two teams with the most distinctive and well-crafted stories were declared winners and awarded an exclusive visit to

T-Hub, Hyderabad, providing them with valuable exposure to one of India's leading hubs of innovation and entrepreneurship.
